The Revenue Statement provides an explanation of the revenue raising measures. Section 169(2) of the *Local Government Regulation 2012* requires council to prepare and adopt a Revenue Statement each financial year as part of the local government's budget. Section 172 of the *Local Government Regulation 2012* specifies the content to be included in the Revenue Statement.

Pursuant to Sections 169(2) and 172 of the *Local Government Regulation 2012*, council hereby resolves at the Special Meeting on 15 June 2017 to adopt the following Revenue Statement, which provides details of the following:

 - Environment Levy
 - Transport Levy
 - Heritage Levy
- Special Rates (a rate made and levied on the rateable value of some, but not all, rateable land in the region)
 - Montville Beautification Levy
 - Tourism and Major Events Levy
- Special Charges (a charge made and levied on some, but not all, rateable land in the region).
 - Rural Fire Charge
 - Brightwater Estate Landscaping Charge
 - Twin Waters Maintenance Charge
 - Sunshine Cove Maintenance Charge

 - Waste Management Charges
 - Holding Tank Charges
- Administration which covers Pensioner Concessions, Discounts, Arrangements, General Rate Deferments, General Rate Concessions, Interest and Sale of Land
- The criteria used to decide the amount of cost-recovery fees
- The criteria used to decide the amount of charges for a commercial business activity's goods and services.

2. ADMINISTRATION

2.1 Issue of Rates Notices

Separate rates notices will be issued in the first six months of the financial year (July to December), and in the second half of the financial year (January to June), for the billing periods 1 July 2017 to the 31 December 2017, and 1 January 2018 to the 30 June 2018 respectively. Each notice includes one half of the annual rates and charges levied.

In accordance with section 118 of the *Local Government Regulation 2012*, all rates and charges are to be paid by the due date shown on the rate notice.

2.2 Adjustment of Rates and Charges

Supplementary rates notices for variations in rates and charges will be issued as required during the financial year. It is the owner's responsibility to check that all rates and charges are correct at the time of the issue of the rate notice. Adjustments to rates and charges levied in prior financial years will only be done in exceptional circumstances. Adjustment for rates and charges levied in prior financial years will not be done where:

- (a) a property has been categorised in Differential General Rate Categories 16, 17, 18, 19, 27 or 29 (ie not principal place of residence) and the owner/s have not provided a declaration that the property is his/her/their principal place of residence per Section 3.2.3 of this Revenue Statement.
- (b) a property has been categorised as Transitory Accommodation – Urban or Transitory Accommodation – Rural for the purposes of levying the Tourism and Major Events Levy and the owner/s have not provided a Tourism and Major Events Levy declaration form advising council that the property is not offered for short term residential rental.

2.3 Early Payment Discount

Discounts for prompt payments will be allowed on the rates and charges stipulated in council's Revenue Statement as having discount applying to them. Such discounts are allowed in accordance with Section 130 of the *Local Government Regulation 2012*.

2.3.1 Method of Calculation

Subject to Section 2.3.2 of this Revenue Statement the following discount will be allowed on general rates where the net amount shown on the rate notice is paid by the designated due date:

- (a) 5% of the general rate; or
- (b) \$200 per annum (ie \$100 for each half yearly rate period)

whichever is the lesser amount.

In the case of pensioners complying with the eligibility criteria contained in the Queensland Government's Rate Subsidy Scheme and Retirement Villages as per Differential General Rate Category 23, the half yearly discount offered will be 5% of the general rates. No maximum will apply.

No Discount is allowable on the following charges which may appear on the rates notice:

- Emergency Management Levy
- All Special Rates
- All Special Charges
- All Separate Charges
- Waste Management Charges
- Change of Ownership Fee
- Backflow Device Registration Fee
- Valuation Fee
- Holding Tanks
- Any property charge relating to the provision of temporary services or the carrying out of council works on or in connection with the property
- Any non-rate item included on the rate notice
- Legal costs incurred by council in rate collection

Revenue Statement

- Interest charges on overdue rates
- Any other rate, charge or amount unless a discount is specifically permitted by this Revenue Statement.

2.3.2 Payments Made Before the Due Date

A discount will be allowed where full payment of the current period rates and charges, plus any overdue rates and charges and interest thereon, is received before the first working day following the due date. This will apply to all payments made at a council office, an approved agency, or by electronic means. For payments made through an approved agent or by electronic means the payment is deemed to be received on the transaction date provided by the approved agent or relevant financial institution.

2.3.3 Allowance of Early Payment Discount for Late Payments

There are occasions when payment by the due date is not achieved through circumstances beyond the control of the ratepayer and Section 130(10) of the *Local Government Regulation 2012* provides council with a discretionary power to allow discount in such circumstances.

2.3.3.1 *Payments made after the Due Date*

Discount will be allowed if the full payment of the overdue rates and charges is made within a period specified by council AND the applicant provides proof satisfactory to council of any of the following:

- Illness involving hospitalisation and/or incapacitation of the ratepayer at or around the due date for payment; or
- the death or major trauma (accident/life threatening illness/emergency operation) of the ratepayer and/or associated persons (Spouse/Children/Parents) at or around the due date for payment; or
- the loss of records resulting from factors beyond the ratepayer's control (Fire/Flood etc); or
- as a result of a change of ownership, where council received notification between the generation of the rates notice and the due date for payment.

and council is satisfied that the event was the cause of the ratepayer's failure to make full payment by the due date.

2.3.3.2 *Late payments Due to Delivery Difficulties*

Discount will be allowed due to delivery difficulties;

- following the non-receipt of the rates notice by the ratepayer, or
- the non-receipt or late receipt of the rates payment by council,

where the reason for either, the non-receipt of the notice or non-receipt or late payment, is separately substantiated as detailed below and discount has not been allowed on a previous late payment in similar circumstances in the last five (5) years.

To substantiate the claim for discount due to non-receipt of the rates notice or non-receipt or late receipt of the rates payment by council the following is required.

- a written statement from the ratepayer detailing non receipt of the rates notice; or
- other evidence that payment of the rates was made by the ratepayer before or on the due date, but did not reach council due to circumstances beyond the control of the ratepayer; or
- other evidence that an administrative error occurred at the Department of Natural Resources and Mines which resulted in the rates notice being incorrectly addressed by council.

Discount may also be allowed, if substantiated by evidence, the return of the rate notice to council although correctly addressed occurred through no fault or instigation of the ratepayer and beyond the ratepayer's reasonable control.

Discount will **NOT** be allowed if the circumstances above are:

- as a result of the failure of the ratepayer to ensure that council was given correct notification of the postal address for service of notices prior to the issue of the rate notices; or

Revenue Statement

- as a result of the failure of the ratepayer to ensure that council was given correct notification of the email address for service of the notices prior to the issue of the rate notices.

2.3.3.3 *Administrative Errors*

An extended discount period will be allowed if council has failed to correctly issue the rates notice in sufficient time to permit the ratepayer to make payment before the expiration of the discount period. The extended discount period will be equivalent to that period provided to other ratepayers and will commence from the date council specifies.

2.3.3.4 *Payment Errors*

Where there is an apparent accidental short payment of the rates resulting from a miscalculation of the net amount due, arising from the payment of a number of rate notices at one time (ie addition error) OR the tendering of an incorrect amount for a single rate notice (ie transposition error) THEN discount will be allowed in the following manner:

- WHERE THE AMOUNT OF THE ERROR IS \$50 OR LESS

Full discount will be allowed and the underpaid amount will be treated as 'Arrears of Rates'.

- WHERE THE AMOUNT OF THE ERROR EXCEEDS \$50

If an error is identified the Ratepayer will be given 14 days to pay the shortfall. If the shortfall is paid by the extended due date, so advised, full discount will be allowed at that time.

Allowance of discount in these circumstances will **NOT** be allowed if any transposition error or addition error exceeds 20% of the total net rates payable on the single rate notice or the number of rate notices paid at one time.

2.4 Pensioner Concession

Council's pensioner rate concession to eligible pensioners will be allowed under *Chapter 4, Part 10 of the Local Government Regulation 2012*.

To qualify for Council's Pensioner Rate Concession the ratepayer **MUST ALSO** qualify for the Queensland Government Pensioner Rate Subsidy.

2.4.1 Eligibility Criteria

For Queensland Government Pensioner Rate Subsidy

The pensioner:

1. Must possess a current, valid qualifying concession card, namely:
 - Pensioner Concession Card issued by Centrelink or the Department of Veteran Affairs **OR**
 - Repatriation Health (Gold) Card - (for all Conditions) issued by the Department of Veteran Affairs; and
2. Must be the owner (either solely or jointly), or be an eligible life tenant, in accordance with the guidelines for the State Government Rate Subsidy Scheme, of property within the region which is their principal place of residence, AND must have (either solely or jointly with a co-owner), the legal responsibility for payment of rates and charges which are levied in respect of the said property by the council. In the case of joint ownership, the subsidy will apply only to the approved pensioner's proportionate share of the applicable rates and charges, except where the co-owners are an approved pensioner and his/her spouse. In this situation the concession will apply to the full amount of applicable rates and charges; and
3. Must, if a 'first time' applicant, lodge and complete the prescribed application to be entitled to a rate subsidy. The information on this application form will be used by council to verify the eligibility of all pensioners (Centrelink and Veteran Affairs pension recipients). Upon proof of eligibility, the entitlement to a subsidy will commence from either the card start date shown on the Pensioner Concession Card or the date of occupation of their principal place of residence or the start of the current rating period, whichever is the later date. Such entitlement will continue until the sale of that property or until the entitlement to a pension ceases to exist; and
4. Must, if an 'existing' applicant, lodge another application if required by council OR on the acquisition of a replacement property within the Sunshine Coast Council region.

For Council's Pensioner Rate Concession

Revenue Statement

In addition to the above, the ratepayer **MUST**:

5. have owned property within the Sunshine Coast Council region for the preceding three years. Pensioner concession may be allowed where the applicant has paid rates on property within the Sunshine Coast Council region for five of the last ten years, so long as the "gap" between ownerships in this period does not exceed twelve months. If currently not eligible and upon meeting the qualifying period of three years, rating concession will be applied from the start of the next rating period. Discretion may be applied in relation to contribution to the Sunshine Coast Council region regarding continuous residency, consistent with pensioner concession arrangements as listed above.

For holders of the Repatriation Health (Gold) card issued by the Department of Veteran Affairs who have been classified as Totally and Permanently Incapacitated the three year ownership provision is waived.

2.4.2 Method of Calculation – Per Property

Pension Rate	Sole title to the property	Joint title to the property
Maximum level of pension	\$230 per annum maximum	\$180 per annum maximum
Not Maximum level of pension	\$115 per annum maximum	\$65 per annum maximum

2.4.2.1 Single Owner on the Maximum Rate of Pension

Where the pensioner is in receipt of the maximum level of pension and is the sole owner of the property that is their principal place of residence the concession will be 25% of the general rate up to a maximum amount of \$230 per annum.

2.4.2.2 Joint Owner on the Maximum Rate of Pension

Where the pensioner is in receipt of the maximum level of pension and the property is their principal place of residence and owns the property jointly with one or more people per eligibility criteria in section 2.4.1, the concession will be 25% of the general rate up to a maximum amount of \$180 per annum.

2.4.2.3 Single Owner not on the Maximum Rate of Pension

Where the pensioner is not in receipt of the maximum level of pension and is the sole owner of the property that is their principal place of residence the concession will be 25% of the general rate up to a maximum amount of \$115 per annum.

2.4.2.4 Joint Owner not on the Maximum Rate of Pension

Where the pensioner is not in receipt of the maximum level of pension and the property is their principal place of residence and owns the property jointly with one or more people per eligibility criteria in section 2.4.1, the concession will be 25% of the general rate up to a maximum amount of \$65 per annum.

2.5 Outstanding Rates and Charges

2.5.1 Interest Charges

Interest Charges will be applied to all *Overdue Rates or Charges* under Section 133 of the *Local Government Regulation 2012*. The interest will be compound interest, calculated on daily rests. The interest rate will be 11% per annum.

2.5.2 Arrangements to Pay

Arrangements to pay in accordance with Section 129 of the *Local Government Regulation 2012*, will be entered into if applied for by the ratepayer and where there are no overdue rates and charges from previous rating periods and the ratepayer and council agree that such arrangements will allow the outstanding rates or charges to be paid by the end of the current six month rating period. A separate arrangement is required to be made with council for each six month rating period. No recovery action will be taken on any instalment payment that is not overdue.

Where a ratepayer defaults on an arrangement to pay, the arrangement will be cancelled from the date of default, and interest will be charged on the overdue rates and charges in accordance with

Revenue Statement

section 2.5.1 of this Revenue Statement. Additionally council will not enter into any further arrangements during the rating period covered by the initial arrangement request.

2.5.3 Overdue Rates and Charges

Where the rates and charges remain unpaid and an arrangement to pay has not been made, a reminder notice will be issued.

Where rates and charges remain unpaid after the reminder notice period, further recovery action will commence, which may include being referred to an external Debt Recovery Agent. Council may also undertake court proceedings to recover overdue rates and charges in accordance with Section 134 of the *Local Government Regulation 2012*.

As per Sections 138 - 144 of the *Local Government Regulation 2012*, council has the power to sell the property for the recovery of outstanding rates and charges, which are overdue for three years or more. Vacant land and commercial properties can be sold after one year where judgment has been entered.

2.5.4 Rates & Charges Debt Concession

In accordance with Section 120 of the *Local Government Regulation 2012*, a concession by way of an agreement to defer payment, for rates and charges, for a period of up to 12 months may be granted to landowners that satisfy council that payment of the rates and charges will cause them hardship. The overdue rates and charges must be discharged in full by the end of the period granted under this concession which is a maximum of 12 months.

The granting of this concession will be subject to conditions as included in council resolutions, policy and procedural documents prepared from time to time.

In accordance with Section 125(3) of the *Local Government Regulation 2012* a premium will accrue on all rates and charges in arrears. The premium will be equivalent to 11% compound interest, calculated on daily rests (per section 2.5.1).

2.5.5 Sale of Land for Arrears of Rates & Charges

To exercise the powers of the local government to sell or acquire land for overdue rates according to the *Local Government Act 2009* (the Act) and *Local Government Regulation 2012* including but not limited to the following:

- Some or all of the overdue rates and charges have been outstanding for greater than three years;
- The Local Government may, by resolution, decide to sell the land;
- The Local Government must as soon as practicable give all interested parties a Notice of Intention to Sell the land;
- Procedures for selling the land must be commenced generally three months after the Notice of Intention to Sell the land is issued and within six months;
- The Local Government must end the procedures if the overdue rates and charges and all expenses the local government incurs in attempting to sell the land are paid in full;
- The CEO upon legal advice has the authority to remove a property from the Sale of Land list.

2.6 Deferment of General Rates

Chapter 4 Part 10 of the *Local Government Regulation 2012* allows council to enter into an agreement with certain ratepayers to defer the payment of their general rates.

The deferment of the general rate will apply to:

- Eligible Pensioners
- Eligible Business/Enterprises

2.6.1 Deferment for Eligible Pensioners

Eligible pensioners will be allowed under Chapter 4, Part 10 of the *Local Government Regulation 2012*, Section 120(1)(a).

Revenue Statement

To assist eligible pensioners who have experienced large increases in the value of their property as determined by the Department of Natural Resources and Mines or have experienced financial hardship council will allow deferment of up to 50% of the general rate. The deferred rates will accumulate as a debt against the property until it is sold or until the death of the ratepayer.

The deferment of general rates applies only to ratepayers categorised in Differential General Rates Categories 1, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 28 & 30. To be eligible to defer up to 50% of the general rate the applicant must:

- own no less than 50% of the property and occupy the property; and
- have no overdue rates and charges on the said property; and
- be the holder of a Pension Concession Card issued by Centrelink or the Department of Veteran Affairs; **OR**
- a Repatriation Health (Gold) Card issued by the Department of Veteran Affairs; **OR**
- a Commonwealth Seniors Health Card; **OR**
- a Queensland Seniors Card issued by the Queensland State Government.

Note that automatic eligibility applies to those ratepayers currently receiving a Pension Concession on their rate notice. Eligibility for those ratepayers with a Seniors Card will be assessed accordingly.

2.6.2 Deferment for Businesses or Enterprises

Eligible businesses or enterprises will be allowed under Chapter 4, Part 10 of the *Local Government Regulation 2012*, Section 120(1)(d).

To assist businesses and enterprises in accordance with the Business Investment Policy, council will allow deferment of the general rate to approved applicants under the Sunshine Coast Investment Incentive Scheme. The deferred rates will accumulate as a debt against the property until it is sold or until the payment is required in accordance with the provisions of the Sunshine Coast Investment Incentive Scheme.

2.6.3 Additional Charges

Additional charges will be applied to all deferred general rates under Section 122(5) of the *Local Government Regulation 2012*. The additional charges will be equivalent to compound interest, calculated in daily rests and will be set at the 90 day bank bill rate as at the adoption of the 2017/18 Budget.

2.6.4 Application to Defer

Ratepayers will be required to apply for a deferment of the general rate. Upon approval of the application the deferment agreement will continue until council is notified in writing to cease the agreement, or until such time as the property is sold, or upon the death of the ratepayer, or until payment in full, or such other dates as specified in the provisions of the deferment agreement

2.7 General Rate Exemptions and Concessions

Section 93 (3) of the *Local Government Act 2009* states that certain land is exempt from general rates. Section 73 of the *Local Government Regulation 2012* further details land that is exempt from rating in accordance with Section 93(3)(j)(ii) of the *Local Government Act 2009*.

In applying these sections of the *Local Government Act 2009* and supporting regulation, council will be guided by the principle of communication by raising the awareness of target groups that may qualify for these exemptions.

Section 73 of the *Local Government Regulation 2012* states that for Section 93(3)(j)(ii) of the Act, the following land is exempted from rating:

- (a) land owned by a religious entity if the land is less than 20ha and is used for 1 or more of the following purposes:
 - (i) religious purposes, including, for example, public worship;
 - (ii) the provision of education, health or community services, including facilities for aged persons and persons with disabilities;
 - (iii) the administration of the religious entity;

Revenue Statement

- (iv) housing incidental to a purpose mentioned in subparagraph (i), (ii) or (iii);
- (b) land vested in, or placed under the management and control of, a person under an Act for:
 - (i) a public purpose that is a recreational or sporting purpose; or
 - (ii) a charitable purpose;
- (c) land used for purposes of a public hospital if:
 - (i) the public hospital is
 - (A) part of a private hospital complex; or
 - (B) a private and public hospital complex; and
 - (ii) the land used for the purposes is more than 2ha and is separated from the rest of the complex;
- (d) land owned by a community organisation if the land is less than 20ha and is used for providing the following:
 - (i) accommodation associated with the protection of children;
 - (ii) accommodation for students;
 - (iii) educational, training or information services aimed at improving labour market participation or leisure opportunities;
- (e) land used for a cemetery.

In addition to those classes of land granted a general rate exemption under Section 93(3) of the *Local Government Act 2009* and Section 73 of the *Local Government Regulation 2012* council grants a general rate concession to land identified in Section 120(1)(b) of the *Local Government Regulation 2012* to the extent council is satisfied the land is owned by an entity whose objects do not include making a profit or an entity that provides assistance or encouragement for arts or cultural development and is one of the following:

- Boy Scout and Girl Guide Associations
- Surf Lifesaving and Coastguard organisation
- Community Sporting Organisation – Not for profit organisations without a commercial liquor licence or a community club liquor licence
- Community Cultural or Arts Organisation – Not for profit organisations without a commercial liquor licence or a community club liquor licence
- Charitable Organisations
 - (a) Not for profit organisation; and
 - (b) Registered as a charity institution or a public benevolent institution; and
 - (c) Providing benefits directly to the community; and
 - (d) Endorsed by the Australian Tax Office - Charity Tax Concession.

The concession will be 100% of the general rate. Applications received during the current year that fall within the categories above will be granted a general rate concession for the year. If a property has previously been granted a general rate concession in the previous financial year the owner will not be required to re-apply to obtain the concession for the current financial year, however they may be required to provide proof of their ongoing eligibility if requested to do so. Property owners must immediately notify council if there is a substantive change of land use for a property in receipt of a general rate concession.

2.8 Fees and Charges

Section 97 of the *Local Government Act 2009* allows a local government to fix a cost recovery fee and Section 172(1)(c) of the *Local Government Regulation 2012* provides that the Revenue Statement must state the criteria used to decide the amount of any cost recovery fees.

All fees and charges will be set with reference to full cost pricing. Cost-recovery fees will be charged up to a maximum of full cost. Commercial charges will be at commercial rates. Council acknowledges the community benefit associated with not-for-profit organisations conducting activities on the Sunshine Coast, and therefore all not-for-profit organisations are exempt from cost recovery fees for applications to conduct activities requiring an approval on public and private land within the Sunshine Coast Council region.

Revenue Statement

Section 172(1)(d) of the *Local Government Regulation 2012* provides that if the local government conducts a business activity on a commercial basis the Revenue Statement must state the criteria used to decide the amount of the charges for the activity's goods and services. Commercial charges will be charged at commercial rates for a business activity conducted by council on a commercial basis and all commercial charges for the 2017/18 financial year are set out in the Register of General Cost-Recovery Fees and Commercial Charges 2017/18 as previously adopted.

Infrastructure Charges apply for the Maroochydore City Centre Priority Development Area in accordance with the SunCentral Maroochydore Infrastructure Agreement. The Prescribed Service Charge (PSC) under the SunCentral Maroochydore Infrastructure Agreement will appear on rates notices and is payable by the due date shown on the rates notice. If the PSC commences during a financial year it will be charged on a pro-rata basis. In accordance with the Infrastructure Agreement interest will be applied to all overdue Prescribed Service Charge payments. The interest will be compound interest, calculated on daily rests, at a rate of 11% per annum.

3. GENERAL RATES

3.1 Basis of Rates

General Rates are to be levied under Section 94 of the *Local Government Act 2009*. The rate so made will be applied to the rateable value of properties.

The Sunshine Coast Regional Council will use a system of differential general rating for 2017/18. A differential system of rates provides equity through recognising the use of the property and the financial impact on ratepayers. These factors, along with the rateable value of the land, have been considered in determining the differential general rate. Sunshine Coast Regional Council will not make a resolution limiting the increases in general rates for the 2017/18 financial year.

3.2 Rates to Apply

The applicable rates for the financial year ending 30 June 2018 are identified in *Table 2 Schedule of Rates*, as adopted in the 2017/18 council budget. The rate will apply to the rateable value of lands which are within the Sunshine Coast Regional Council area as provided by the Department of Natural Resources and Mines.

3.2.1 Differential General Rates

There will be 31 differential general rating categories in 2017/18. The categories and the relevant criteria are outlined in *Table 1 Differential General Rates*. Land use codes are listed at *Appendix 8*.

3.2.3 Objecting to a Differential General Rate Category

In accordance with Section 90(2) of the *Local Government Regulation 2012* the only ground for objecting is that the owner considers the land should belong to a different rate category.

In accordance with Section 90(3) of the *Local Government Regulation 2012* the owner may object by giving the local government an objection notice. Section 90(4) of the *Local Government Regulation 2012* details the form an objection notice should take.

Section 90(5) of the *Local Government Regulation 2012* specifies that the owner must give the objection notice within:

- (a) 30 days after the day when the rate notice was issued; or
- (b) a longer period that the local government allows.

Sunshine Coast Regional Council will assess general rate objections. Objections for rates levied in the current or previous financial years will be assessed. In exceptional circumstances, an adjustment to the General Rate Category will be made for up to a maximum of seven years, except for those circumstances detailed in 2.2(a) where no adjustment will be made.

In accordance with Section 91(5) of the *Local Government Regulation 2012* if the Chief Executive Officer decides to change the rating category of the land, the rating category is taken to have been changed from the start of the period of the rate notice.

3.2.4 Principal Place of Residence Exceptions

- (a) has a property that would, but for the provisions of this paragraph, be categorised in Differential General Rate Category 16, 17, 18, 19, 27 or 29; and
- (b) is using the property to provide accommodation to a member of their immediate family, and
- (c) the family member being housed has special circumstances such as a physical or mental disability or safety and privacy concerns that preclude ownership of the property in their name as a viable option

the Sunshine Coast Regional Council may treat the property as their principal place of residence for the purposes of determining the Differential General Rate Category.
