
To the Resident**Car Park Upgrade – Baker Finch Avenue, Peachester****Project summary**

Sunshine Coast Council is committed to improving safety within schools and across our region.

The project will see a strip of grass verge along Baker Finch Avenue, Peachester turned into a concrete carpark offering 16 bays in total.

As part of the works, the nearby pedestrian crossing will be upgraded into a refuge, as shown in figure 2 overleaf.

The project also includes extending the footpath in front of the car bays to connect with the existing school footpath.

Start date

Works are scheduled to start late April 2024 and expected to be completed by late May 2024, weather and site conditions permitting.

Construction will occur between 7am and 5pm on weekdays.

Pedestrian access and Parking

The grass verge located on the western side of Baker Finch Avenue next to the empty recreation lot will remain closed during works.

Traffic management measures will be in place through construction to ensure the safety of all road users.

Your patience during construction is appreciated.

Further information

Should you have further constructability queries regarding this project, please contact Council's senior project officer, Brian Counihan on the details below (please quote project number K4384).
