How to use these maps

This Access Map provides information about street access, accessible services and facilities within the Caloundra Town Centre.

Information on this map includes where to find accessible parking, toilets, pathways, seats, telephones, medical / health services, ATM s and public transport.

There is a Legend Key that provides a simple explanation of the symbols used on this map. Unless the Access Map indicates Steep Gradient or No Pathway it can be understood that there is a pathway that is considered to be traversable by people with disability.

Icons, pathways and services are shown within an approximate location. This map has been developed during an onsite inspection and cross referenced with GIS data. Community services that have been listed give a grid reference relating to their location.

For more information about this Access Map please contact Sunshine Coast Council on 1300 007 272 or (07) 5475 7272 or visit the website at www.sunshinecoast.qld.gov.au

Good Crossing Point

The good crossing point icon has been used to show where there are good kerb ramps and pedestrian zebra crossings. These crossing points may have elements that do not fully comply with Australian Standards and are to be used according to each person's ability.

Mayor's Message

For many years, Sunshine Coast Council has worked with residents and community partners to make our Sunshine Coast a better place for everyone who lives, works and visits our region.

The Nambour Town Centre Access Map is an easy-to-use guide to accessible facilities within the Nambour town centre. This map identifies accessible paths of travel throughout the town and includes information about accessible parking areas, public toilets and other accessible amenities for people with a disability. There are also Access Maps available for the town centres of Mooloolaba, Maroochydore, Maleny and Caloundra which you may find helpful.

On behalf of council, I gratefully acknowledge the contribution of the Sunshine Coast Access Advisory Network (SCAAN) and members of Sunshine 60 and Better across the region who have kindly assisted in the development of this Access Map. I know this Access Map will be a valuable tool to help people gain easy access to the Nambour Town Centre.

Sunshine Coast Council is proud of our efforts to increase accessibility throughout the region and we will continue to work towards a more accessible Sunshine Coast for all.

Mayor Mark Jamieson
