**Reinstatement Report**  
 Plans Searched: SP261174, SP248469, SP295702, SP174900, SP242019, DP331070.  
 Datum was fixed between stations 1-3 using the measurements and reference marks from DP331070.  
 The reference marks at stations 1 - 3 were used to fix the Western boundary of Lot 9 on SP248469. Good agreement was found to deed measurements.  
 The reference marks at stations 3 - 9 were used to fix the Northern boundary of Lot 9 on SP248469. Good agreement was found to deed measurements.  
 Summary - My fix follows older surveys with good agreement on known survey marks and occupation to support my decisions.

Peg placed at all new corners unless otherwise indicated.

I, Corey Emanuel JAMES hereby certify that the land comprised in this plan was surveyed by Zaine Michael Thompson, Surveying Associate, for whose work I accept responsibility, and that the plan is accurate, that the said survey was performed in accordance with the Survey and Mapping Infrastructure Act 2003 and Surveyors Act 2003 and associated Regulations and Standards and that the said survey was completed on 15/09/2021.
