

To The Resident**Stormwater Pit Upgrade – Dingle Avenue, Kings Beach****Project summary**

Sunshine Coast Council is committed to maintaining our infrastructure across the region.

As part of this year's stormwater renewal program, council is replacing a stormwater pit on Dingle Avenue, Kings Beach.

Please refer to figure 1 overleaf.

Start date

Work is scheduled to start the week beginning Monday 27 November 2023. Construction is expected to be completed within one week, weather and site conditions permitting.

Work will occur between 7am and 5pm on weekdays.

Property access and parking

Access to properties will be maintained throughout the works, however there will be a temporary loss to on-street parking to facilitate construction.

Traffic management

To ensure the safety of all road users, traffic management measures will be in place throughout the project, including temporary construction fencing and staffed traffic control.

We appreciate your patience during construction.

Further information

For further information about this project, please contact council's project officer Clint Jones via the details below (please quote project number K4387).

**A note from your local councillor**

I thank residents for their patience during the construction period.

Stormwater pit upgrades are an essential part of Council's infrastructure program and I look forward to this project being completed.

Cr Terry Landsberg
