

Project number: H3747

Brisbane Road Upgrade

Stages 2 and 3

Mooloolaba Transport Corridor Upgrade

New fence installation - front car port/car park area

Tuesday 14 and Wednesday 15 August (day works)

39 Brisbane Road, Mooloolaba

Vehicle and pedestrian access remains available to driveway and car port for residents and their guests

Construction overview

As part of the Brisbane Road Upgrade a new fence will be installed (at Council's expense) for the safety of residents of 39 Brisbane Road.

These works are expected to create minimal inconvenience to residents however construction workers will be on site to install the new fence over a period of approximately two days.

Vehicle access will remain available to the driveway and car port/car park area.

Please speak to the onsite team should you require assistance with access during this time.

Thank you for your understanding and patience during construction.

What to expect during these works?

These works involve a metal fence being installed between the private property boundary and the public footpath.

The driveway and car park area will remain open to residents and their guests.

Some temporary traffic control may be required at times due to safety reasons.

The onsite construction team will provide assistance to residents/guests as required.

Low level construction noise is to be expected.
