

Project number: H3732

Caloundra Transport Corridor (CTCU) Upgrade

Underground services investigations (Public Utility Plant works)

Monday 3 July until late July 2023 (day and night works) (*Weather permitting*)

Various locations including Ben Bennett Bushland Park and Bicentennial Park, roads including Omrah Avenue, Bowman Road, Oval Avenue, Gosling Street, Third Avenue, Arthur Street, Nicklin Way and Industrial Avenue and West Terrace, Caloundra

Traffic control in operation as required

Works overview

As part of the ongoing detailed design process for the Caloundra Transport Corridor Upgrade project, underground services investigation works will be undertaken in various locations along the corridor between Monday 3 July and late July 2023.

This work will be carried out by experienced professionals using specialist equipment and machinery.

Investigation areas will include:

- Ben Bennett Bushland Park, between Nicklin Way and Arthur Street
- Bicentennial Park, between Bowman Road and Omrah Avenue
- Emergency Services access, between Industrial Avenue and Nicklin Way
- Roads including West Terrace, Omrah Avenue, Oval Avenue, Gosling Street, Third Avenue, Bowman Rd, Nicklin Way and Industrial Avenue.

Some investigations will be done at night or during weekends to minimise inconvenience to our community and/or take advantage of reduced traffic volumes.

All relevant permits will be in place to undertake these works.

What to expect during these works

The works will produce moderate noise. Traffic control will be in place as required during day and night works. Please allow extra travel time during this period.
