Sunshine Coast
Council

Community Partnership Funding Program
Guidelines - 2013 - 2014

The purpose of the Community Partnership Funding Program is for Council to work in partnership with the community to achive Council's corporate priorities. The program provides funding towards operational expenses to community organisations that provide key services or facilities to the Sunshine Coast community.

A maximum of one year of funding will be allocated in this 2014/15 rounds as a new Corporate Plan is currently under development.

These guidelines should be read in conjunction with council's Community Grants Policy. You can view the policy at www.sunshinecoast.qld.gov.au/grants

Deleted: provides up to three-y funding towards operational expenses to community organisations whose operation services make a significant contribution to the Sunshine Co community, and whose activitie closely aligned to council's visi for the future as described in it Corporate Plan.

Eligibility

Who can apply?

Community organisations who meet all of the following criteria:

- Operate within the Sunshine Coast Local Government Area or are able to demonstrate that the program will benefit residents of the Sunshine Coast Local Government Area.
- Are Incorporated, or are an Australian Public Company-Limited by Guarantee
- Have appropriate insurance and adhere to sound Workplace Health and Safety practices
- Are able to demonstrate viability
- Have no debt to council, or have entered into scheduled payment arrangements with council which are being adhered to, and/or have met acquittal conditions for previous council grants.
- Have discussed their proposal with a category representative prior to submitting their application.

Who cannot apply?

- Government agencies or departments of local, state or federal government
- Educational, religious or medical organisations, where the application is for the organisation's core business
- Businesses
- Individuals
- Organisations eligible under the Sports Field Maintenance Funding Program
- Organisations where the application is connected to political activities.

What is eligible for funding?

- Operational expenses to support established services or facilities (e.g. insurance, electricity, ongoing).
- This program does not support one-off projects (one-off projects may be eligible under Council's Community Grants Program).

Assessment

Funding is offered under the following categories:

- Community Facilities
- Community Safety
- Community Services
- Cultural Heritage
- Economic Development

Assessment for each category is based on both funding program and category specific assessment criteria.

All applicants are required to consult with a category representative prior to submitting a proposal. Contact a Grants Officer for details.

Applications are assessed by panels in each of the five categories. Panel members include Council staff experienced in each category.

In some instances, part-funding may be offered.

Panel recommendations are reported to Council for endorsement.

General program assessment criteria

Applications are assessed against the following program priorities.

Council Corporate Priorities

- Strong alignment with Council's Corporate Plan/ strategy or policy positions

Community Need and Benefit

- Demonstrate clear and identified community need and support for services/facilities
- Provide lasting impact and benefits that are far reaching
- Provide equitable access and/or participation

Planning and Delivery

- Demonstrated collaborative approach to delivering the service or operating the facility
- A well-planned and achievable strategic/ operational/ business plan for delivery
- A clear evaluation framework, which identifies what will be delivered, and

- Facilities for cultural activities
- Sport and recreation facilities

Cultural Heritage

Aim - Supporting community organisations whose prime purpose is to ensure the conservation, access and promotion of regionally significant cultural heritage items, collections, places and events.

This category supports services and facilities that contribute to the development of one or more of the following:

- increased awareness of our local heritage
- increased accessibility to our Cultural Heritage
- the heritage of our communities is conserved and protected.

Category specific assessment criteria:

Engage in activities that:

- identify, record and protect the region's cultural heritage, including Aboriginal heritage
- conserve items, collections, places and events of significance through conservation, rehabilitation, restoration, and maintenance

- document and promote those items, collections, places and events that define the stories, history and values of the communities of the region
- establish partnerships that have the capacity to enhance the conservation of heritage items, collections, places and events.

Types of organisations and services funded in this category include:

- Museums
- Other organisations with a significant local heritage focus

Economic Development

Aim - Contributing to the development of the New Economy as outlined in the Regional Economic Development Strategy 2013.

Outcomes

- Strong economic leadership, collaboration and identity
- New capital investment in the region
- Investment growth in high-value industries
- Strong local to global connections
- Investment growth in talent and skills

Category specific assessment criteria:

- Foster strong economic leadership and collaboration by government, business and industry.
- Facilitate the development of the region's high value industries, including promotion of innovation, research and digital participation, and secure and maximise the value of regional economic infrastructure.
- Position the Sunshine Coast in key export markets and develop export ready businesses.
- Attract and retain skilled workforce and develop the "New Economy" regional education and training system.
