

NOTICE OF MOTION

SUBMITTED BY COUNCILLOR: Cr Jason O'Pray

COUNCIL MEETING: Ordinary Meeting

I hereby notify of my intention to move the following motion at the Ordinary Meeting to take place on Thursday 19 September, 2013:

That Council:

- (a) not proceed with the introduction of an "opt-out" 3 bin collection system as part of the new waste collection contract from July 2014 due to the relatively high cost per property and the low waste diversion levels achieved;
- (b) continue with a 2 bin collection system with an optional garden waste service and review the suitability of this approach based on the revised Queensland Waste Strategy and the introduction of any waste levy;
- (c) continue and further develop community education programs for residents to encourage home composting and better recycling practices; and
- (d) review the Waste Minimisation Strategy 2009-2014 and develop a new strategy from 2014–2020 and establish pragmatic targets that are achievable and deliverable commensurate with the waste and resource management budget.
