

FRIENDS OF MARY CAIRNCROSS ASSOC

Invite you to hear our May 2025 speaker:

Spencer Shaw

is a partner at Brush Turkey Enterprises and local native nursery Forest Heart. He specialises in ecological consultancy and nature area management and is passionate about horticultural uses of native flora and restoration ecology – particularly in the ecosystems of Jinibara Country rainforests such as Mary Cairncross.

Learn more about the critically endangered, endangered, vulnerable and near threatened flora of the Reserve as Spencer provides an enlightening presentation on the form, ecosystem function, distribution, and threats of these precious species.
